that's why her powers are of both

and with the 1-inch spirit blood
she can shrink down to the size of one

until you die

you wanted to live that badly
then why!
why didn't you say so!
when i tried to stop you!
Asa-giri!!

I don't know
even now
I don't understand
any of it
I never wanted it to turn out like that!
I've lost foith even in myself
I did want to become the sacrifice
I thought i'd accepted giving my life to our god for our village
I didn't think I'd have second thoughts
I thought i could accept that thing as our god if it would save everyone else!

this scar, when it
covers my whole body
i'll be dead
Ukyo
I truely am sorry
but I can't allow you to kill me

because I still need to get Sakura-hime back!
because I'll keep my promise to always be by her side!
Asagiri..
haven't you realized?

my heart feels crushed
every time you speak
but now.. their far apart
our hearts were like one back then
I only wanted you to be happy, Asagiri

so
how could
I ever
kill you?

i even distrusted those people who
claimed to like me for my kindness
and for my looks

but i felt like
trusting you, Sakura-hime!

why did you help us?
because I promised never to be kind to anyone
but you

i'll stick to
that promise, even if i can never have you as mine,
that day
i awoke to see Enju-sama standing before me
nn

where's the village!
where's Asagiri?! why are you here?!
where am I!?
who are you!
you're awake
what is that..
the eyes ond hoir of your ''god''

that girl betrayed you

Asagiri
I can forgive you for destorying our village
but I can't forgive you for not depending on me more
true it may be immoral to think like that but the fact that you were alive was more important

back then
I truely did love you more than a god
even now i love you, Asagiri

Ukyo
i wonder

if i had never agreed to become the sacrifice

the love you feel

I always knew
the 'Sakura'
that Aoba holds in his heart
wanted to have this love be requite
I always did

that is in his highness' heart is the moon-hime
the 'Sakura'
is love for his betrothed
the 'Sakura' in Byakuya's heart is
Kaguya-Hime's grand-daughter

the 'Sakura' in both Kohaku-chan's and Hayate-kun's
hearts is a warrior
the 'Sakura' inside Asagiri's
is a friend

well they did fight all night

they've done well

wheres the carrige?

I feel bad for having them sleep outside

the areas too rocky so it hasn't arrived yet

their fast asleep though arn't they

wheres Sakura hime?

over there

she's with prince Oura

she must be able to sense Enju's presence

I
have to keep moving forward, don't I?
even if i become happy, i'll be dragged into a war soon
i'm sure that it'll only get harder from now on
I have to prepare for the future
I have to prepare my heart
for what is to come
I must be strong in body and heart

I just wanted to stand next to you
um your high ness
is something wrong?
no
even if only for a little while

Enju
can you hear it?
if I too have insanity in my heart
then it's target
is you

I
promise
you

I
will
defeat
you
